Expository preaching is a form of preaching that details the meaning of a particular text or passage of Scripture. It explains what the Bible means by what it says. Exegesis is technical and grammatical exposition, a careful drawing out of the exact meaning of a passage in its original context. While the term exposition could be used in connection with any verbal informative teaching on any ...

Preaching means to orally "proclaim" something, and is usually used to describe the act of bringing forth a sermon or message. It is viewed as an important ingredient of a church service, largely because the whole foundation of the Christian faith, and the very reason for the church's existence, is derived from the Word of God, the object of preaching.

Why are most church services based around preaching?

The Thanksgiving holiday is a distinctly American celebration that has been adapted in the African American religious tradition. More than an historical event to be commemorated on the calendar, the act of "Thanksgiving" is an organic, authentic, and integral theme of African American worship.
