Killian, Mark: Religious Vitality in Christian Intentional

Studies of Christian “segments” of religious markets have lent considerable empirical support to this hypothesis. This research note extends earlier research by investigating the relationship between state regulation and religious participation among the minority Muslim segments of predominantly Christian religious markets in 18 advanced industrial countries.

State Regulation of Religion and Muslim Religious Vitality

Christianity. The personal vitality of the Christian movement has been lost to a great degree in its organizational structure and institutional character. But the individual vitality can still be there in our lives as individual Christians, in living the meaning of the gospel of Jesus.

Faith and Life Christianity and Society By Orville Boyd

Large-scale comparative sociol- ogy of religion was taken up by his student Robert N Bellah (1957), for example in his Tokugawa Religion , which considered the evolution of this-worldly ascet- icism in Japan. This classical tradition continues to influence contemporary sociological theories of reli- gion.
