Intro to Psych Ethics 3 Introduction The field of psychology is noted for its focus on ethical practice. The integration of ethics into the undergraduate curriculum is often a subject that spawns considerable debate.

## Activities Guide: Teaching Ethics in the Introduction to

Etymology and definitions. The word psychology derives from Greek roots meaning study of the psyche, or soul (???? psych?, "breath, spirit, soul" and -????? -logia, "study of" or "research"). The Latin word psychologia was first used by the Croatian humanist and Latinist Marko Maruli? in his book, Psychologia de ratione animae humanae in the late 15th century or early 16th century.
