A classic car is an older automobile; the exact definition varies around the world. The common theme is of an older car with enough historical interest to be collectable and worth preserving or restoring rather than scrapping. Cars 20 years and older typically fall into the classic class. Organizations such as the Classic Car Club of America (CCCA) and the Antique Automobile Club of America ...

Classic car - Wikipedia

The preservation and restoration of automobiles is the mechanical or cosmetic repair of cars. For example, the guidelines of the Antique Automobile Club of America (AACA) are to "evaluate an antique vehicle, which has been restored to the same state as the dealer could have prepared the vehicle for delivery to the customer."

In this chapter from Beginner's Guide to Repairing Lionel Trains, Ray L. Plummer offers advice on how to get that old train running again. "Old Electric Train" - that's what it says on the cardboard box. Can all of it be in there? It seems so much smaller than you remember. The anticipation in the air jacks up the atmospheric pressure by at least three millibars.
