International security, also called global security, refers to the amalgamation of measures taken by states and international organizations, such as the United Nations, European Union, and others, to ensure mutual survival and safety. These measures include military action and diplomatic agreements such as treaties and conventions. International and national security are invariably linked.

In Islamic Law, tazir (or ta'zir, Arabic تازير) refers to punishment for offenses at the discretion of the judge or ruler of the state. It is one of three major types of punishments or sanctions under Sharia Islamic law — hadd, qisas and tazir. The punishments for the Hadd offenses are fixed by the Qur'an or Hadith (i.e. "defined by God"), qisas allow equal retaliation in cases of ...

English is a West Germanic language that was first spoken in early medieval England and eventually became a global lingua franca. It is named after the Angles, one of the Germanic tribes that migrated to the area of Great Britain that later took their name, as England. Both names derive from Anglia, a peninsula in the Baltic Sea. The language is closely related to Frisian and Low Saxon, and its ...

The Census of Agriculture is a complete count of U.S. farms and ranches and the people who operate them. Even small plots of land - whether rural or urban - growing fruit, vegetables or some food animals count if \$1,000 or more of such products were raised and sold, or normally would have been sold, during the Census year. The Census of Agriculture, taken only once every five years, looks at ...
