The apostrophe (' or ') character is a punctuation mark, and sometimes a diacritical mark, in languages that use the Latin alphabet and some other alphabets. In English it is used for several purposes: The marking of the omission of one or more letters (as in the contraction of do not to don't).; The marking of possessive case of nouns (as in the eagle's feathers, or in one month's time).

Introduction. The Open Graph protocol enables any web page to become a rich object in a social graph. For instance, this is used on Facebook to allow any web page to have the same functionality as any other object on Facebook. While many different technologies and schemas exist and could be combined together, there isn't a single technology which provides enough information to richly represent ...
