The global elite march in four essential columns: Corporate, Academic, Political and Organized Religion. In general, the goals for globalism are created by Corporate. Academic then provides studies and white papers that justify Corporates goals. Political

sells Academic's arguments to the public and if necessary, changes laws to accommodate and facilitate Corporate in getting what it wants.

Thick haze and smoke, originating from burning biomass in northeastern India and air pollution from large industrial cities in northern India, often concentrate inside the Ganges Basin. Prevailing westerlies carry aerosols along the southern margins of the steep-faced Tibetan Plateau to eastern India and the Bay of Bengal.

Effects of global warming on South Asia - Wikipedia

5 Introduction Perhaps the time is past for the comprehensive "grand" vision. In some ways, it was a necessary substitute for ignorance, a compensation in breadth for the lack of depth in man's understanding of his world.
