Shards of Sin GM Resources Shards of Sin is part 2 of 6 of the Shattered Star Adventure Path ; that book is necessary to run the adventure but Pathfinder Fate Accelerated write ups are provided for the various opponents and challenges faced therein.

Shards of Sin (Pathfinder Fate Accelerated)

About The Shard. It is crowned with a steel-framed pinnacle and clad with shards of glass designed to blend into the sky. Standing next to London Bridge Station, one of London's busiest transport hubs, at the heart of London Bridge Quarter, London's newest commercial quarter, the Shard is a key part of the regeneration of London's South Bank.

The Shard Download PDF - Skyscraper Center

A database shard is a horizontal partition of data in a database or search engine. Each individual partition is referred to as a shard or database shard. Each shard is held on a separate database server instance, to spread load. Some data within a database remains present in all shards, ...

Shard (database architecture) - Wikipedia

[This is a closed roleplay between Corellus and narrator until otherwise specified for story advancement purposes.] It has been a while since the seasoned terranesti, Corellus, had returned to Nespania, the hidden elven city.

Fomelo - Shards of Dalaya

- Sharding reduces the amount of data that each server needs to store. Each shard stores less data as the cluster grows. For example, if a database has a 1 terabyte data set, and there are 4 shards, then each shard might hold only 256GB of data. If there are 40 shards, then each shard might hold only 25GB of data.
