A chapter book or chapterbook is a story book intended for intermediate readers, generally age 7–10. Unlike picture books for beginning readers, a chapter book tells the story primarily through prose, rather than pictures. Unlike books for advanced readers, chapter books contain plentiful illustrations. The name refers to the fact that the stories are usually divided into short chapters ...

Admit it. You've thought about writing an e-book. In fact, you've already imagined the front cover. You can see the main title, and underneath, your name. And when you picture it, you feel a ripple of pride. An e-book would be a big step up for you as a writer. Because while blog posts are a great way to express your ideas, you can't help feeling they're a little, well, fleeting.
