

SHORTHORNS IN CENTRAL AND SOUTHERN SCOTLAND

shorthorns in central and pdf

Retinal dysplasia in dogs. Most cases of retinal dysplasia in dogs are hereditary. It can involve one or both retinas. Retinal dysplasia can be focal, multifocal, geographic, or accompanied by retinal detachment. Focal and multifocal retinal dysplasia appears as streaks and dots in the central retina.

History. In 1831, the Mexican government granted 4,428 acres (1,792 ha) of land to Kesiah Crier. Crier's family and the James Lyons family were the first white settlers in the area. The town of Schulenburg developed from two nearby communities: Lyons, founded in 1842, and High Hill, settled in 1842 and later named in 1858.

"Open Range" inspired the popular song written in the 1930s, "Don't Fence Me In." Composer Cole Porter created that song with Montana engineer, writer and poet, Robert "Bob" Fletcher (1885-1972). The poem is included in Fletcher's 1934 book, Corral Dust. He also wrote Free Grass to Fences: The Montana Cattle Range Story, published in 1960.
